3 Sources of Photos for Your Presentations

Earlier today I was helping a client with an upcoming Ignite presentation. They asked "where can I find photos?" These were my three suggestions:

1. Flickr's Creative Commons search is my favorite resources. This photo was found there: "Figures of Justice" is by Scott Robinson under a CC BY.

2. Googles image search with the advance option for open licensed works. It is under search tools> Usage rights This photo by [Michal Maňas](#) and the work is under a [CC - BY SA](#)

"[Justice Statue](#)" by Michal Maňas ([User:Snek01](#)) - Own work. Licensed under [CC BY-SA 2.5](#) via [Wikimedia Commons](#).

3. Creative Commons also has a great search tool at: [search.creativecommons.org](#)
