The webinar focused on practical case studies of how remote work starting with Montana which has been doing remote work for years. Allison had great tips including:

"Meet you client where they are

- **Use the Phone!**
- **Provide Information using Multiple Channels**
- **Consider means to reach people without internet (print columns and radio spots)**
- **Be Patient"**

The webinar had resources for organizations working to redefine how they do legal work online including. A [Remote work guide by Probono.net](#) - highlight how 10 org work with clients remotely.
