

Security Assessments for Legal Aid

A blue title card for a webinar series. At the top, it says "LSNTAP Webinar Series" in a light blue font. Below that, the main title "Security Assessments for Legal Aid" is written in large white font. Underneath the title, the date and time "October 19 | 3:00 PM EST" are displayed in white. At the bottom, there are three small square portrait photos of the speakers: Peter Lesser, Vivian Hessel, and Michael Donnelly. Below each photo is their name in white text. The background of the card features abstract light blue and white geometric shapes.

On October 19, 2021, Peter Lesser from Skadden, Arps, Slate, Meagher & Flom LLP, Vivian Hessel from Legal Aid of Chicago, and Michael Donnelly from Simpson Thacher & Bartlett LLP shared the value of security assessments.

Hear from a legal aid program about why security assessments are important for the legal aid community and how they pursued funds to get a security assessment. Learn what a security assessment is, what should be included, and how to prepare your organization for the assessment and the follow-up.
