Virtual

Join us for a case study on a legal service organization's process for choosing, planning, implementing, and subsequently refining its case management system. The webinar focuses on project management, stakeholder engagement, and change management. But, it also touches on some key technical considerations when implementing a case management system at your organization.

This webinar was held on November 15th, 2022 at 3 PM EST.

Last updated on September 17, 2024.
