

Project Spotlight: A Tour of a Colorado Court House

Today, we are featuring the project "Tour of a Colorado Courthouse" being developed by Colorado Legal Services, HELM Studio, and NuLawLab at Northeastern University. The project gives website users, including self-represented litigants, the opportunity to navigate through a Colorado county courthouse while learning about services provided at the court, court personnel and their roles, rooms and room layouts at the court, including the self-help center, and court protocols and processes. 360 degree photography was used to further immerse website users into the experience. Currently, the project is in a 2nd phase as feedback from the public and court staff is being incorporated.

Key players in the project are Dan Jackson - Executive Director of NuLawLab at Northeastern University and his army of student interns; HELM Studio staff including Mridul Sharma, Rajan Zaveri and Shikha Bhattacharjee; along with Brigette Smith of the Colorado Judicial Branch, and Molly French, Director of Technology, Colorado Legal Services.

More information about the project may be found at <https://coloradovirtualcourthouse.org/>.
