

Member Spotlight: Shannon De Poorter

LSNTAP is pleased to introduce Shannon De Poorter, our new program coordinator. Shannon comes to us with a wealth of experience in customer service, social media management, and finance and we are fortunate to have her join our team. Shannon will be bringing a new perspective to the team because she will be dividing her time between LSNTAP and Michigan Advocacy Program's IT department. This will allow her to keep a finger on the pulse of what busy IT departments face and help us shape our future programming.
