Join us for this webinar where Sarah John of Civil Justice, Inc. talked about the Coordinated Intake project in Maryland focused on providing access to counsel in eviction cases. The system is to screen tenants in Maryland who are in danger of eviction and place them with legal service providers throughout the state. This eliminates the time consuming task families faced in the past of applying for service with each provider. The presentation covered the process, lessons learned, and more about this project.

The webinar was held on September 7th, 2023 from 2-3 pm EDT on Zoom.
