

A2J Tech Seeks Project Manager, Focus On Business Process Improvement

Do you want to work on projects to improve access to legal help? Do you like to analyze and improve processes? If so, this may be the right opportunity for you. A2J Tech is seeking a project manager to lead business process improvement projects. This position requires regular travel to client sites.

This is a fully remote team.

All positions start with a 2-month contract period.

Full details and application available through the attached link.

Last updated on June 07, 2024.
