LSNTAP and Heidi Behnke of Georgia Legal Services Program teamed up to hold LSNTAP's first office hour for project managers working within the legal aid space. During this session, Heidi gave a brief overview of project management

Anyone working as a project manager in the non-profit legal aid space is welcome to attend future Project Manager Office Hours. This includes staff who may not be full time project managers but are responsible for things like Technology Initiative Grant (TIG) projects, case management system upgrades, and so much more. Also, this group is **not limited** to those managing **technology** projects

Details on upcoming office hours may be found on our [Events page](#).
