

Clean Data, Clear Insights

Event Details

Monday, December 9, 2024 | 2pm-3:30pm EST
Zoom

This session explores the critical role of high-quality data in legal aid. Participants will delve into what constitutes "good" data, learn strategies for improving data quality, and discover how to make data actionable through effective analysis and reporting. The session emphasizes practical steps for enhancing data accuracy, consistency, and usefulness so that you can prepare meaningful analyses and visualizations to drive better outcomes for clients, impress funders, and improve organizational efficiency.

Skill Level

Beginner – Designed for participants new to data management concepts, offering foundational knowledge and practical tips.

Audience

Legal aid staff, managers, and anyone looking to strengthen their understanding of data quality and its impact on decision-making and reporting.
