

# RFP: Lone Star Legal Aid Custom Software Development: LACI Updates

Lone Star Legal Aid (LSLA) seeks proposals from qualified vendors to modify and update a currently existing software project called LACI (Legal Aid Content Intelligence), described in the full PDF. The objective is to ensure that our publicly accessible self-help content, generally available at <https://www.lonestarlegal.org/resources/self-help/>, is kept up-to-date by alerting our document authors (known as “editors” and “reviewers”) when relevant web resources are updated. When the web resources change, we want to know as soon as possible so we can update our own information resources and self-help tools.

All responses to this RFP must be received no later than 5:00 p.m. (US/Central) on March 15, 2025. See attached PDF for full details.

Last updated on February 11, 2025.
