

GLSP PAI Plan for 2012-13

1. Default Section

* 1. Your Office Name

Please answer the following questions so that we can build one GLSP PAI plan for 2012-13. Consider this a work in progress. I do want to see monthly case placement goals and proposed bar activities (meetings, clinics, events, etc.) and proposed dates.

You can fill out parts of this brief survey and return to it at any time to finish.

Solicit input from the Private Bar.

I have prepared a mini-survey ready for you to use that is linked to your specific office. I have sent this link to you in a separate e-mail. This is the link to share with lawyers and judges in your area: <http://www.surveymonkey.com/s/ProBonoNeeds> .

Please try to send the survey to as many lawyers and judges in your service area as possible. I think "success" would be a response from 10 lawyers/judges (for each of you). Once you send out the survey link, there's nothing more you will need to do. I'll monitor the responses and share them as necessary.

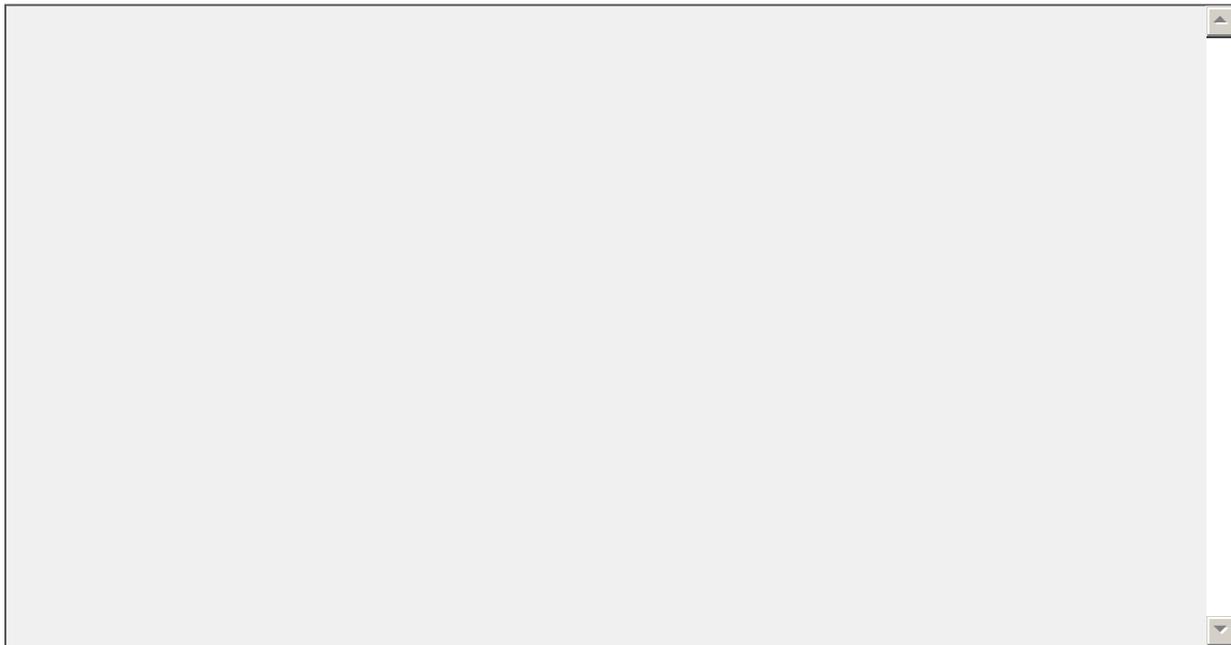

Do not expect Judicare funds for 2012-13. Do budget for court costs and expenses related to PAI.

2. If your office hopes to use Judicare funds or has special grants that may allow Judicare in 2012-13, please indicate the counties in your territory in which you would spend Judicare funds. You should reserve Judicare funds for your most rural, under-lawyered counties. State the approximate number of cases that could be encumbered assuming the usual \$500/case.

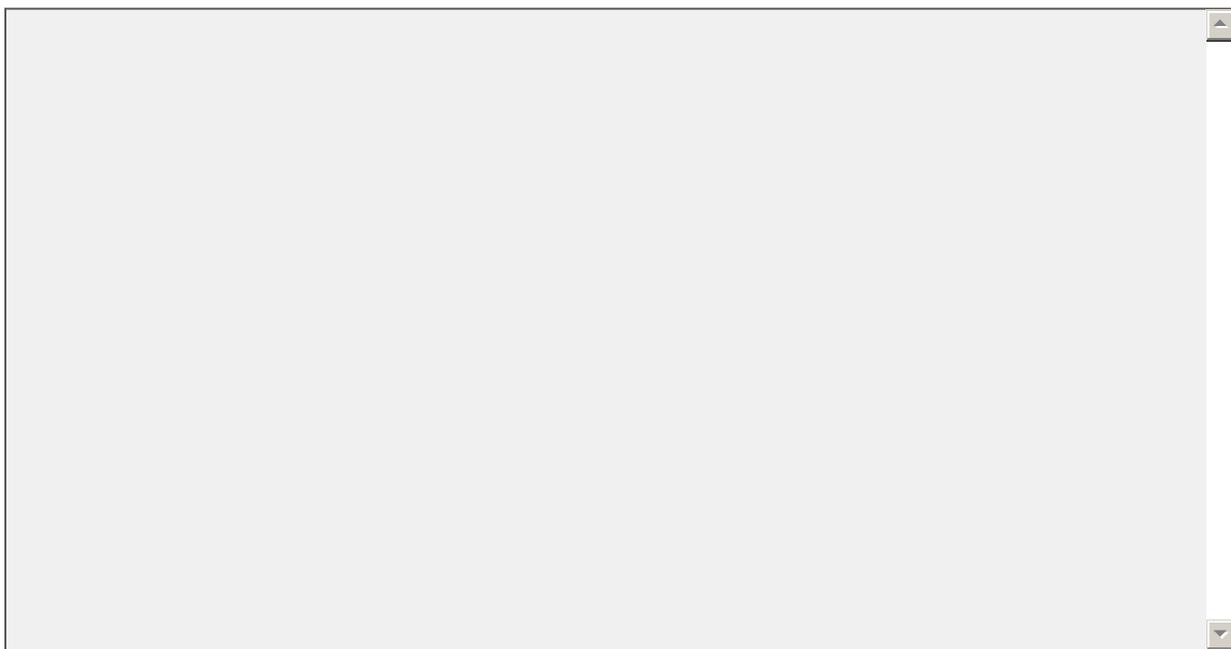

*** 3. What kinds of cases will you attempt to place through your pro bono program?
Examples: Divorce with custody, private Landlord/Tenant, wills.**
